

# UltraLife AS OF 2018

## Material Safety Data Sheet

### Section 1 Material Identification

Aiptasia & Majano Remover

### NEPA HAZARD RATING

Health	1
Flammability	1
Reactivity	0

### Section 2 Ingredient Information

Non-Hazardous organic ingredient  
(Biodegradable)

### Section 3 Hazards Identification

#### Potential Health Effects

Eye Contact: May cause irritation, can result in corneal damage.

Skin Contact: May cause irritation, can cause inflammation or blistering

Ingestion: May cause discomfort.

Inhalation: May cause minor irritation

Chronic Effects: This product has not been tested as a whole for chronic effects, no ingredients are listed carcinogen ( N.T.P., LARO, OSHA ).

Medical conditions being aggravated by this product as a whole: None Known.

### Section 4 First Aid Measures

Eye Contact: Flush with water, Get Medical attention if irritation persists

Skin Contact: Wash with soapy water

Ingestion: Treat symptomatically, get medical attention if symptoms appear.

Inhalation: Remove to fresh air.

### Section 5 Fire Fighting Measures

Flammability Properties: May be combustible at high temperatures

Flash Point: Not available

Extinguishing Media: Dry chemical powder

Fire Fighting Instructions: Select media suitable for surrounding material

### Section 6 Accidental Release Measures

In case of spillage: Wipe up with absorbent material

### Section 7 Handling and Storage

Keep away from excessive heat and keep from freezing

#### Section 8 Exposure Control and Personal Protection

Ventilation Requirements: Safety glasses, lab coat, gloves and dust respirator

Personal Protective Equipment: None needed.

#### Section 9 Physical and Chemical Properties

Appearance: Solid. (White Crystalline Powder)

Odor: Odorless

Taste: Acid (strong)

Boiling Point: Not determined

Freezing Point: Not Determined

Solubility in Water: Dissolves

Volatiles: Not Determined

Vapor Air (=10): Not Determined

#### Section 10 Stability and Reactivity

Storage stability: Stable conditions to avoid: None Known

Hazardous Polymerization: Will not accrue conditions to avoid: None Known

Incompatibility: Materials to avoid: copper, zinc, aluminum and alloys

Hazardous Decomposition Products: None Known

#### Section 11 Disposal

Proper Disposal Method: Waste must be disposed of in accordance with federal, state and local environmental control regulations.

#### Section 12 Additional Comments

CERCLA (Superfund) Reportable Quantity: Not Applicable

SARA Section 313 Chemicals: None

The information contained in this document is considered accurate. However no warranty is expressed or implied regarding the accuracy of this data or the results to be obtained from this data or results to be obtained from the use thereof.
